A Mother's Love

There are times when only a mother's love
Can understand our tears,
Can soothe our disappoints
And [calm all of our fears](#).

There are times when only a mother's love
Can share the joy we feel
When something we've dreamed about
Quite suddenly is real.

There are times when only a mother's faith
Can help us on life's way
And inspire in us the confidence
We need from day to day.

For a mother's heart and a mother's faith
And a mother's steadfast love
Were fashioned by the [angels](#)
And sent from God above.

MAY NOISY OFFERING

**Michael & Rachel Ludwig and Family
Mission Workers in Niger**

Above left is a photo of Michael's parents who visited at Christmas.

We appreciate the time that each of you has made in your life for us and for learning about Niger this past year. As people around here say, may God bring us together to the end of the next year! This month we had a collection of smaller things going on, like day trips here and there for church events, whisperings about adoption, and plans for big things in the coming months. Thank you for your support and prayers.
